

HEALTHY SMILES

DENTAL CLINIC

Oral health is an integral and important part of general health...vital to the development of children and the effectiveness of adults

This program was formed in response to the significant need for dental care by those who have little or no means of obtaining such.

TOOELE COUNTY HEALTH DEPARTMENT

151 N. Main Street
Tooele, Utah 84074

Phone (435) 277-2430
Fax (435) 277-2444

SERVICES PROVIDED

Services include examinations, x-rays, teeth cleaning, fluoride treatments, fillings, extractions, dentures, partial dentures, and emergency relief of pain.

ELIGIBILITY

Medicaid and PCN accepted.

Healthy Smiles Dental Clinic can assist uninsured patients with costs of dental services by offering a sliding fee schedule.

Based on income and family size, a patient may only have to pay a percentage of Medicaid based fees. The following is considered acceptable documentation of household income

- a) Previous years Federal Tax Return or previous w-2 forms for each working person in household
- b) Two recent pay stubs or documentation by employer
- c) Award letter from the Social Security Administration or bank statement indicating direct deposit
- d) Notification letter from the Unemployment office stating benefit amount.
- e) Notification letter of pension, retirement, or disability received

Staff includes the office manager and paid dentist. In addition, the clinic is staffed by volunteer dentists, hygienists, assistants, and support staff who donate their time.
