Fees Increasing for Utah Vital Records

Last fee increase was in 2003

(Salt Lake City, UT) – In order to implement Utah’s Fiscal Year Appropriations Act, House Bill 2, beginning July 1, 2009, the fee schedule will change for services provided by all state and local vital records offices in Utah. This act provides for the support and operation of state government for the fiscal year 2010. The new fee schedule increases the cost for some copies, abstracts and vital records searches. The schedule below lists the services affected by the fee increase, which goes into effect July 1, 2009:

- Issuing a certified copy of **abstract birth** or **voluntary declaration of paternity** or verifying any of the same information.
- **\$18.00** for the first copy, abstract or verification and **\$8.00** for each additional copy of the same record.
- Issuing a certified copy of a **certificate of still birth**, or verifying any of the same information.
- **\$15.00** for the first copy, abstract or verification and **\$8.00** for each additional copy of the same record.
- Issuing a certified copy of a **death or fetal death certificate** or verifying any of the same information.
- **\$16.00** for the first copy or verification of the information and **\$8.00** for each copy of the same record.
- Issuing certified burial transit permit, **\$7.00** for each copy.

For a complete fee schedule, new application forms, local vital record locations and office hours, please see our Web site: health.utah.gov/vitalrecords.

You may also phone Nikki Scow, Tooele County Health Department Deputy Registrar at 435-277-2300 for vital records information.

###

The mission of the Utah Department of Health is to protect the public's health through preventing avoidable illness, injury, disability and premature death, assuring access to affordable, quality health care, and promoting healthy lifestyles.
